The estimate of the revenue Muskegon County will collect if the millage is approved and levied in the first year (2021) is approximately \$1,434,000. By law, a portion of the millage may be subject to capture by brownfield redevelopment authorities and those authorities governed by the Recodified Tax Increment Financing Act, 2018 PA 57, including downtown development authorities and local finance development authorities, in the County of Muskegon.</p>
