<b>Proposal Section</b>
<b>State</b>
<b>Proposal 20-1</b>
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent.
This proposed constitutional amendment would:
- Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
- Require subsequent oil and gas revenue from state-owned lands to go into the Natural Resources Trust Fund.
- Require at least 20% of Endowment Fund annual spending go toward State park improvement.
- Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> <b>Yes</b>
<input type="checkbox"/> <b>No</b>
<b>Proposal 20-2</b>
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications.
This proposed constitutional amendment would:
- Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
- Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
