# **City Charter Amendment**

The City Council recognizes the importance of Parks and desires to improve its Parks. If approved and levied in its entirety on December 1, 2022, this millage would raise an estimated \$105,000 in the first year. Shall Section 7.9 of Article VII of the City Charter be adopted to authorize the levy of not to exceed 0.9 mills for seven years commencing December 1, 2022, subject to the current tax limitation, on real and personal property situated in the City solely for the acquisition and operation of parks, trails, recreation improvements and activities?
