Fremont Public Schools Operating Millage Proposal

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Fremont Public Schools, Newaygo, Muskegon and Oceana Counties, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, to provide funds for operating purposes (17.8903 mills of the above is a renewal of millage that will expire with the 2023 tax levy and .1097 mill is a restoration of millage lost as a result of the reduction required by the Michigan Constitution of 1963); the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2024 is approximately \$2,900,000?
