<b>New Additional Millage Proposal</b>
Shall the voted allocated White River Township millage rate of 1.30 mills (\$1.30 per \$1,000 of taxable value), now reduced to 0.7326 mill (\$0.7326 per \$1,000 of taxable value) by the required Headlee millage reductions, be increased by 0.2674 mill (\$0.2674 per \$1,000 of taxable value) up to 1.0 mill (\$1.00 per \$1,000 of taxable value) to restore a portion of the millage rate lost by the required millage rollbacks, and shall White River Township levy such additional allocated millage of 0.2674 mill (\$0.2674 per \$1,000 of taxable value) for twenty (20) years, 2023 through 2042 inclusive, for general Township operating purposes?
The new millage will raise estimated revenues of \$36,128.00 in the first year of the levy?

Montague Area Public Schools
Operating Millage Renewal Proposal
This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 1.4591 mills are only available to be levied to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.
Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Montague Area Public Schools, Muskegon and Oceana Counties, Michigan, be renewed by 19.4591 mills (\$19.4591 on each \$1,000 of taxable valuation) for a period of 10 years, 2025 to 2034, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$3,479,041 (this is a renewal of millage that will expire with the 2024 tax levy)?
