MUSKEGON SOARS

A TRIBUTE TO MUSKEGON'S INTERNATIONAL AEROSPACE INDUSTRY

Acrylic on Diebond sign panel, 2013

Gift of ALCOA FOUNDATION; Additional support provided by WinBerg Construction, Holiday Inn Muskegon Harbor and Shoreline Inn and Conference Center

A Project of CAPTURE MUSKEGON; Created September 2013; Dedicated October 1, 2013

For over 100 years, downtown Muskegon was a center of industry with numerous factories, foundries, and mills. Today, downtown Muskegon is experiencing a renaissance as the center for arts, culture, commerce, and education in our region. This billboard is one of a series that pays homage to the living industrial heritage of this region while furthering the role of public art in its transformation.
